will Census the two Ceded portions of the line
(subject)

16/8/10

5 So far as the ceded portions
of the line are concerned the Dunbar will
Census them & the Rly authorities can
correspond with the Census Supt.

6 As to the ceded portions, for
reasons similar to those assigned
in 1900 it will evidently be conve-
nient if the Dunbar undertake the
Census. It is not clear whether
any expenditure has to be incurred
or was incurred in 1900
for the purpose, & whether the Govt
of India will pay that expenditure
or paid it in 1900.

Before referring to the Govt it is
desirable to consult the Census
Supt - who. This will maybe done who
Visits Dunbar during
7 that Dunbar will take up
the Census of ceded line also
if Govt want as in 1900

SIR,

In reply to your letter No.Fl.3493/Cen.8-11-33, dated 28th February 1912, I have the honor to state that the bill of cost, herewith retransmitted, does not include the cost of Abstracting and Tabulating the Statistics of Ceded Railways in Mysore as the cost of Tabulating their statistics cannot be ascertained with precision, the stations along those Lines of Railways having been reckoned, for purposes of Abstraction, as parts of the villages within whose limits they were situated and the statistics having been dealt along with those of the several Taluks concerned.

2. The proportionate cost of furniture and rent of building, etc, were omitted in the bill as no furniture was purchased -- and no building was rented solely for the purpose of Tabulating the statistics contained in the Census Schedules of the Civil and Military Station, Bangalore, and of stations on the ceded Lines of Railways and therefore as in the case of charges of Superintendence, the cost of furniture and rent cannot be precisely apportioned.
